Subject: 2021 COVID-19 Response Mechanism Additional Funding for Mongolia

Dear Mr. Ganbaatar Khuyag,

Thank you for your commitment in the fight against the COVID-19 pandemic.

The Global Fund has reviewed your COVID-19 Response Mechanism (**C19RM**) Full Funding Request and approved USD 4,170,546 of additional investments for your country's COVID-19 response (**C19RM Additional Award**). This brings your total C19RM award to USD 4,933,368 (**C19RM Total Award**).

Please note that the C19RM Additional Award is additional to your country's 2020-2022 allocation and any C19RM funding awarded to your country to date. The C19RM Additional Award will become part of the grant (**Grant**) listed in the table below:

Grant	Amount Awarded	Implementation Period dates
MNG-C-MOH	USD 4,170,546	01/01/2021 to 31/12/2023 (inclusive)

The C19RM Additional Award will cover the approved interventions and activities set out in the Funding Request C19RM Budget (**C19RM Budget**) and the C19RM Health Products Management Template (**C19RM HPMT**) enclosed with this letter. Additional conditions relating to the C19RM Additional Award are set out in Annex 1 to this letter.

While the deadline for use of the C19RM Additional Award is **31 December 2023**, recipients are expected to use these funds **as soon as possible** to address urgent needs and only for the purposes for which the funding was approved and pursuant to the terms and conditions of the corresponding grant agreements for the Grant (**Grant Agreement**) and this letter.

The C19RM Additional Award must be incorporated into the Grant by no later than **22 August 2021**. In the meantime, given the urgency of the nature of the activities for which the C19RM funds were awarded, the Principal Recipient may utilize any available uncommitted funds under the Grant to initiate implementation of the approved C19RM activities in accordance with the terms and conditions of the Grant Agreement and this letter. By initiating implementation of the approved C19RM activities, the relevant Principal Recipient is deemed to have accepted the terms and conditions of the relevant Grant Agreement and this letter.

The Global Fund Country Team will be in touch with the Principal Recipient to discuss the process for initiating implementation of the approved C19RM activities.

We stand ready to support Mongolia in responding to the COVID-19 pandemic, which threatens to destroy years of progress against HIV, TB and malaria. To defeat COVID-19, protect progress against HIV, TB and malaria, and save lives, we must unite to fight.

Yours sincerely

Mark Eldon-Edington
